

# JOE BONE                      C.V

## SOUND RECORDIST/ENGINEER

07811 162185 - [joebone@me.com](mailto:joebone@me.com) - [www.joebone.co.uk](http://www.joebone.co.uk)

I've been working in the industry for several years and have experience in a wide range of broadcast environments, such as outside broadcasts, location recording and studio TV.

Other work I've been involved in ranges from touring theatre productions, mixing live bands, sound installations and Djing. Outside of work my interests include rock climbing, mountaineering and photography.
