HAIR AND MAKE UP ARTIST

Mob: **07976230148** Email: nixmakeup@hotmail.com

I am a Hair & Make Up Artist and have been working in the television industry for over 15 years, having trained in Make Up Artistry, Hairstyling and Airbrushing. My career has led me to work on many different kinds of TV programmes including drama, light entertainment and commercials, as well as films in all roles - assisting, supervising and designing. I am very conversant with artist continuity, and script breakdown. A selection of some of the programmes I have worked on are listed below, and I am currently working on Maverick Television's Last Chance Salon. In addition to Hair and Make Up, I also offer Styling and Wardrobe service, as well as Male Grooming. Excellent references can be supplied on request.
