## About Me

A passionate and motivated fan of film, TV, and sound, I am dedicated to performing to the best of my abilities, including always delivering professional, high fidelity work. Thanks to previous roles in both retail and the care sector, I am used to thinking on my feet and adapting to ensure that goals are met. My belief that great storytelling needs great communication drives my desire to capture the best sound on set.

**FULL, CLEAN UK DRIVING LICENCE, OWN CAR**
