PROFILE

I'm a musician who's been playing and recording my own music for many years. I also have a degree in Electronic Engineering and spent 10 years as a Sound Consultant to the motion picture film industry across Europe and Asia.

I currently provide sound production services and corporate film production from my company, Dreambase Studios.

I'm a full member of the Association of Motion Picture Sound (AMPS) and the Performing Rights Society (PRS). I also enjoy songwriting, and performing with a number of music projects. In addition, I love script writing and running, and can often be found out on my single-speed track bike. CRB/DBS checked.

EXPERIENCE

Owner, Dreambase Studios Limited, United Kingdom – 2008-present

Sound production and post for a variety of corporate, commercial, tv, film and sound installation projects. Corporate film production. Company infrastructure, financial accounting, company website.

Senior Sound Consultant, Dolby Laboratories Inc., United Kingdom – 2007-2009

International motion picture soundtrack mastering services; Worldwide optical sound camera installation and support; product development and test; consultancy on a wide variety of sound and picture issues in the motion picture industry; digital cinema mastering and screening services.

Sound Consultant, Dolby Laboratories Inc, United Kingdom – 2000-2007

Professional studio installation; motion picture laboratory visits and equipment alignment; audio mastering services; digital cinema mastering and technologies.

Applications Engineer, Dolby Laboratories Inc., United Kingdom – 1999-2000

Testing and build of Dolby Digital mastering units ready for delivery to professional audio studios; repair of returned units from studios and overseeing of workshop jobs; travel to European dubbing theatres to check and align equipment and acoustic conditions in re-recording theatres.

Test Engineer, Dolby Laboratories Inc., United Kingdom – 1996-1999

Testing and repair of professional audio products to component level; close liaising with Production Engineering on problem solving and best practices; overseeing production line workflow and weekly build requirements.

EDUCATION

University of Glamorgan – Bsc Electrical and Electronic Engineering, 1996

SKILLS

Pro Tools HD; Logic 9/X; field and studio recording techniques and equipment; Euphonix user; left handed.

INTERESTS

Music writing and performing, books, maps, historical research, scriptwriting, graphic design, cycling, running.

MEMBERSHIPS
