PROFILE

I am an editor and filmmaker with 13 years experience working on a number of independent & commercial film productions including music promos, documentaries, instructional content and corporate videos. As well as an experienced editor, I am also well versed in colour grading, camera & lighting, directing and teaching.

I have worked for a range of clients, from small community enterprises to larger charities and organisations such as NHS, Stroke Association and Oxfam.

My current set up for video editing is a 2.8 GHz Macbook Pro (2015) with Adobe Creative Suite.
