

JOE BONE C.V

SOUND RECORDIST/ENGINEER

07811 162185 - joebone@me.com - www.joebone.co.uk

I've been working in the industry for several years and have experience in a wide range of broadcast environments, such as location recording, multi camera studio TV, live outside broadcasts and audio post production. I have a real passion for the great outdoors and enjoy rock/ice climbing, mountaineering and hiking. My other interests include travel, photography and music.
