Camera Operator at Silverstream TV:

Sep 2019 – Dec 2020

Rigging and operating broadcast equipment for sports, music, and conference events across Europe.

Frequently driving large vans carrying equipment and rigging overseas.

During the pandemic: rigging and operating pop-up, multi-camera studios across the UK and overseeing the transmission between the studio and the main gallery over WebRTC

Working with Polecams and Jimmy Jibs within a multi-camera context.

During the pandemic: tech supporting and operating on virtual events. Working with clients and contributors on every continent, including an ex-US Vice President and the Saudi royal family.

Prep Engineer at Cinewest:

Dec 2020 – Apr 2023

Kit floor technician working to prep camera and lighting equipment for commercials, features, tv dramas, natural history, and broadcast productions.

Daily use of cine and broadcast cameras, stabilisation systems, wireless video equipment, lens control systems and monitors.

Working 24hr technical support for ongoing productions fixing and troubleshooting technical issues with camera and lighting equipment in person and over the phone.

Leading equipment tests and demos with camera crew. Facilitating a work experience program in partnership with BoomSatsuma Film School in Bristol.
