Summary

With over 5 years of running experience in all areas, I know what will be required of me in any running role. I always complete a job to the full, knowing the importance of tasks big and small, and how they can impact a production - settling is never an option for me. I have worked in teams of all sizes, from me and one PD to a whole TV crew, and know what it takes to lead and work effectively.

Skills

- **FULL DRIVING LICENCE**
- Experienced **post production and production runner**
- **GoPro Experience**, confidently handle, use and set up any GoPro
- **Data Managing** work, experience in **Shotput Pro** and basic wrangling skills including logging
- Experience with **ALL KIT**, can set up and work out most items of kit from experience
- I excel and take pride in **customer service** and making people's jobs as easy as I can
- I can lead a team effectively and provide everything required of me to work in a team
